🔗 linkedin.com/in/federico-sgambelluri-768475230

I am Federico Sgambelluri, born and raised in Bologna and currently residing in the municipality of Calderara di Reno. I am a creative, organised and detail-oriented person with a strong passion for computer science, technology and innovation. I am skilled at preparing and presenting content to audiences, and I enjoy building relationships with people.

I am currently involved in several academic and personal projects that enrich my skills and knowledge. I pursue personal growth through study, continuous learning and the exploration of new fields.

In my free time I go to the gym: I enjoy taking care of my physical health and nutrition, as well as my mind. I am passionate about politics and writing, and I am an extremely curious person who loves learning about anything, with the goal of improving myself day by day.

I was recently elected as a Municipal Councillor in Calderara di Reno, with a mandate focused on Social Innovation projects for young people and the promotion of active citizenship.
